Welcome To Dancemakers Northwest

Dancemakers Northwest is celebrating its 26th year of dance instruction. We are located in Bonney Lake Village, next to Ben Franklin Crafts. Dancemakers offers a variety of dance classes for students ages 3-adult, for beginning to advanced students. The staff at Dancemakers Northwest provides a positive atmosphere where students can learn the art of dance and have fun at the same time. At the end of every year Dancemakers will present a **recital** where all students will have the opportunity to perform a routine they learned in their

class. The recital experience is very rewarding for all. Recitals are usually held in June at the Sumner Performing Arts Center. Dancemakers also has a **performing group program** for those students who are dedicated dancers and

are willing to make an extra commitment by representing Dancemakers at various community events. For more information about the performing group please contact Melissa or Denise at 253 863-9096.

Our studio contains two large dance floors with a viewing area so classes can be viewed while in progress.
